

Since the introduction of the AMWA Working Trek Dog Titles in 2012 to recognise the achievements of your Sled Dogs on long distance Treks organised by AMWA, we have successfully run Twelve qualifying events. Going forward, within each working season we are aiming to run a minimum of 4 Long distance Treks but will always try to add more if possible.

The scheme offers the opportunity for working titles to be gained at a variety of levels certified by the organisers. Full details are available in the [Working Trek Dog Title Scheme](#) document which should be read in conjunction with the [Long Distance Trek Rules](#).

The working titles are not recognised by the Kennel Club, but just like the American titles for those who have gained them, the appropriate title can be added to your dogs registered name

i.e. **Kirakoo Against All Odds At Mountaintrek WTD, AWTD(C), AWTD(B)** – represents AMCA Working Trek Dog and AMWA Working Trek Dog at Copper & Bronze levels

It is in itself an achievement that 386 Working Titles have been gained by purebred sled dogs. This represents an increase of 160 Working Titles gained within the 2015/16 season. Some now have more than one Working title under their collars at different levels by taking part in these events. The Musers will know that this was hard work but it is what our dogs are bred to do and they will now be recognised for it. Below is an extract from the full AWTD Register listing those dogs who have earned their working titles.

As at 1st May 2016 the Sled Dogs listed below have trekked an incredible combined total of **8723 Miles** at times in quite arduous conditions.

Add to this total the mileages trekked by dogs that were part of the teams but may have already achieved a title at the appropriate level and the figure rises to **9297 miles**. This represents an increase of 3964 miles and 4262 miles respectively during the 2015/16 season alone

The certificates will be presented in the main marquee at the Fun Weekend on Saturday night during the break in Sue Pateman's Big Quiz before the Raffle. For those who can't make it I will catch up with you during the working season.

We hope that this success will continue with the working towards titles at higher levels as well as those who would like to have a go for the first time. There are five events planned in the calendar for 2016/17. We hope to add an additional one Day Trek on Salisbury Plain offering 10-25 miles in two Groups and also the possibility of a two day Trek at Hicks Lodge

- Swinley Forest (Night Trek) on 19 November 2016 offering trail distances of between 7.5 – 14 miles.
- Larkhill (Salisbury Plain) on 27/28 December 2016 offering trail distances of between 8 – 25 miles and a night trail of at least 10 miles.
- Aviemore (As part of the SHCGB Event) on 24 January 2017 offering a trail distance of 10 miles
- Fonthill (Wiltshire) on 4/5 February 2017 offering trail distances of 8 – 23 miles
- Dyfnant (Mid Wales) on 25/26 February 2017 offering trail distances of 9.5 – 13.5 miles (A night run is also an option)

On behalf of the Committee congratulations to the dogs, oh and the Musers.
